WORK EXPERIENCE

DATA ANALYST
Micromerger (Pvt) Ltd.
From: Dec,2022   To: June,2023

As a data analyst and team lead, I excel in managing and coordinating a team of analysts. I effectively assign tasks, provide guidance, and ensure timely completion of projects. With expertise in Tableau, Excel, Power BI, Python, and SQL, I leverage these tools to analyze data, create insightful visualizations, and extract meaningful conclusions. I am adept at verifying the work of my subordinates, offering constructive feedback, and maintaining high-quality standards. Through effective communication and collaboration, I drive team success and deliver impactful data-driven solutions

ACCOUNTS OFFICER
TCS Private Limited
From: Feb,2022   To: Aug,2022

As an Accounts Officer, I played a critical role in managing financial processes and ensuring the accuracy and integrity of financial data. My responsibilities included preparing and reviewing financial statements, managing accounts payable and receivable, reconciling accounts, and analyzing financial transactions. I utilized my expertise in financial software systems and tools, such as Excel, Oracle Financials, OMS, and CLS to streamline processes and improve efficiency. Additionally, I collaborated with cross-functional teams to provide financial insights, support budgeting and forecasting activities, and ensure compliance with financial regulations and policies

KPMG-DATA ANALYTICS CONSULTING VIRTUAL INTERNSHIP
ONLINE

In my KPMG Data Analytics Consulting Virtual Internship, I developed practical skills in data analytics, complex dataset analysis, and data visualization. This experience enhanced my problem-solving, critical thinking, and communication abilities in virtual teams.

FINANCIAL AUDIT VIRTUAL CASE INTERNSHIP/EXPERIENCE
ONLINE

During my Financial Audit Virtual Case Internship, I gained practical experience in financial auditing, including analyzing statements, identifying risks, and utilizing audit software. This opportunity enhanced my attention to detail, analytical skills, and understanding of auditing principles, preparing me for effective financial audits.
